

Prayer Opportunities

Prayer is a vital ministry of our church. As our prayer ministry increases, Lighthouse will benefit in many ways. Believers will deepen their faith, people will accept Christ for the first time, mission activities will grow and those doing ministry will be more effective.

We are very excited about expanding our prayer ministry and we need everyone to make that happen. Take a few moments to pray about how God wants you to become a part of this vital ministry. Contact Joan Hughes, jkh@aeiwireless.net, to be a part of the prayer ministry.
